

REMARKS

The necessary Terminal Disclaimer is submitted herewith, thereby to overcome the double patenting rejection.

Reconsideration is respectfully requested, for the rejection of claims 14-16, 19, and 20 as reciting limitations not found in the original claims.

Actually, the amendments to these claims canceled the subject matter, and so cannot recite the limitations in addition to those originally recited.

In short, amended claims 14-16, 19, and 20 recite less than the original claims and so cannot introduce material that has insufficient basis in the original claims.

Thus, for example, if the original claims recite limitations A, B, C, D, E, F, and G and these are adequately supported, and then the claims are amended so as to cancel limitations F and G, the limitations A-E must remain adequately supported.

In view of the Terminal Disclaimer and the foregoing remarks, therefore, it is believed that the application has been placed in condition for allowance and reconsideration and allowance are respectfully requested.

Please charge the terminal disclaimer fee of \$130.00 to Deposit Account No. 25-0120.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any
